US TSCA Persistent Bioaccumulative Toxins
Statement of Compliance

Tempel Steel Company warrants that **all steels** used for motor, transformer, and generator laminations as well as cores, and other electrical devices as manufactured and supplied by Tempel Steel Company, **do not contain the persistent, Bioaccumulative Toxins (PBTs)** as detailed in Table 1, below. The U.S. Environmental Protection Agency (EPA) published a final rule prohibiting the processing and distribution into commerce of the 5 PBTs under the Toxic Substances Control Act (TSCA). This final rule went into effect on March 8, 2021.
